2016 DRV VAN Bid Addendum #2

TO: All Interested Bidders

Re: Price Checklist not included as an example format

Tuscaloosa County Parking and Transit Authority (TCPTA) would like to clarify the pricing layout for the Demand Response Vans being bid.

In the DRV Bid Package, there was not a checklist sheet listed although it was referenced. Therefore, TCPTA would prefer the pricing be in the following layout:

1. Base Price
2. List out each option as described in Package
3. List our Propane conversion separate
4. List out warranties separate
5. Total

If you have any questions, please email me at rlawrence@tuscaloosa.com

Sincerely,

Russell Lawrence
Director, Tuscaloosa Transit Authority
